A message from your Chairman: Sen. Troy A. Carter

We hope you had a wonderful new year and look forward to a joyous and safe Carnival season.
From: Algiers Development District Board (ADD) and staff.

We are pleased to be making continued progress toward improving the Algiers community and are happy to share this good news with you. First, we'd like to acknowledge and welcome the new managers of the Riverside Fitness Center in Federal City, The LSU Foundation. This well-regarded service-driven institution is a wonderful fit for our community and we look forward to growing with them in this partnership. The Foundation officially took over their responsibilities on December 1st. For more on this big announcement, see the article below. For membership inquiries, please visit [this link](#).

We are also thrilled with our partnership with [SOUL NOLA](#). With 30 live oaks generously donated by ADD, we will be holding a ceremonial planting of these trees in Algiers with more details to come. Our commitment to the beautification of Algiers continues with this wonderful effort. For more information about SOUL, visit their [website](#).

Finally, I want to thank Councilmember Nadine Ramsey for her wonderful years of service to both District C and to ADD. Her perspective and presence is always a welcome and trusted part of our work and she will be truly missed. At the same time, we would like to congratulate Councilmember Elect Kristin Palmer and welcome her back onto the ADD Board. We know that Kristin's energy and enthusiasm will be valuable assets for us over the next four years.

Again, from all of us at ADD, we hope everyone had a restful and joyous holiday and can look forward to a successful new year. And of course, Happy Mardi Gras!

Sincerely,

Sen. Troy A. Carter

ALGIERS BONFIRE

ADD's 501c3, ADC, joined the [Algiers Economic Development Foundation \(AEDF\)](#) and hosted the annual Algiers Bonfire and Concert on December 2, 2017. It was a wonderful success full of food, music, and of course, concluding with the bonfire.

This year's sculpture, by [Brennan Steele](#) and Eric Arvidson, depicted a giant, two-story outline of Louisiana with a Santa cap. The mural was painted by [Henry Lipkis](#), best known for his second line mural on St. Claude Avenue.

We want to thank all of our wonderful food vendors and musical guests including [Hot 8 Brass Band](#) and DJ Ric Ducci for lending their talents to this wonderful event.

Enjoy the photos below!

LSU HEALTH - FITNESS CENTER

ADD is pleased to announce that the LSU Foundation has officially taken over management of the Riverside Fitness Center in Algiers. This is the LSU Foundation's first expansion to Algiers and as of December 1, the Foundation will lease and manage the fitness center and other health and athletic facilities within the property including a football field, softball field, and outdoor pool.

"We are extremely pleased to announce the execution of this game changing agreement which brings this well known and well respected health services foundation to the people of Algiers and brings an even higher level of quality service to the area. The LSU Health Foundation will be an outstanding and long-term partner for the people of Algiers and a catalyst for new growth and progress within the Federal City site," said State Senator Troy Carter.

Since the summer of 2017 the Riverside Fitness Center at Federal City has been operated on an interim basis by [Stone Creek Club & Spa](#). We thank them for their excellent service and performance!

ALGIERS AUDITORIUM

Finally, we would like to recognize and congratulate the Algiers Auditorium on a busy and successful 2017. We at ADD are constantly amazed at the caliber of events Michael Lewis and his staff plan at the auditorium. The ability to transform the space from a board meeting to an elegant wedding venue is truly impressive. As the auditorium continues to grow in recognition and name, we wish them the best of luck in 2018 and thank them for their integral role as a member of our Algiers community. For more

information on how to reserve the auditorium, please visit their [website](#).

Sincerely,

Algiers Development District
