Troy A. Carter's Final Message As Chairman

Dear Friends and Neighbors -

It has been a great honor to serve as Chairman for the Algiers Development District Board for the past five years.

Through the years, we have seen the former Federal City site transform into a thriving community with more projects planned or underway. Soon, ADD will officially welcome its newest addition, a 37,000 square foot expansion of Delgado Community College's west bank presence, which will serve 2,500 - 3,000 additional students.

Other exciting ventures include the 2020 addition of the Advanced Nurses Training Center, the recently announced expansion of New Orleans Military and Maritime Academy, the LSU Health Fitness Center as well as pending announcements of new investments in residential housing and commercial entities.

A comprehensive list of the progress made throughout the years as directed by this Board can be found further in this newsletter.

While my departure as Chairman is bittersweet, I am excited for this next chapter, to be *your* voice in Washington serving the 2nd Congressional District of Louisiana on:

- Economic recovery from COVID-19

Algiers Courthouse

- Increased minimum wage
- Criminal justice reform
- Infrastructure
- Environmental justice
- LGBTQ Rights

You deserve a voice in Washington. And that's who I will be. The voice of the people- you, my constituents.

I wish my fellow board of commissioners and ADD's leadership team well and look forward to seeing their continued hard work bring new energy and enthusiasm to New Orleans Riverside at Federal City and the Algiers community!

Sincerely,

U.S. Representative Troy A. Carter
