Summer Just Got Cooler

Public Pool and Splash Pad Now Open at the Algiers Fitness Center at Federal City

The New Orleans Recreation Development (NORD) Commission and ADD recently announced the opening of a public swimming pool and splash pad at the Algiers Fitness Center at Federal City now through September 3rd.

splash pad at the Algiers Fitness Center at Federal City now through September 3rd.

"NORD is thrilled to partner with ADD this summer to bring this premier aquatic facility and splash pad online," said NORD Chief Executive Officer Larry Barabino, Jr.

Residents are encouraged to cool down and enjoy lap swim, water aerobics, swim lessons, and open swim at the Federal City pool.

Because of pool renovations at Morris F.X. Jeff, the Fitness Center pool and splash pad, located at 2220 Constitution Street, is the only public swimming facility currently available in Algiers.

"We knew we had to offer the community of Algiers a place to swim and participate in aquatics programming this summer," said Barabino.

"Having access to this outdoor recreational opportunity is especially important for the young people of the area who would otherwise have very limited options for swimming and other aquatic programming during the summer months,"

said Kathy Lynn Honaker, Executive Director of the Algiers Development District. "The ADD Board and staff are grateful to our colleagues at NORD for their high level of cooperation and engagement that have made this opening a reality."

The pool will be open Monday through Friday from 8 a.m. to 6 p.m. and on Saturdays from 9 a.m. to 2 p.m. The pool will be closed daily from 12 noon to 1 p.m. for lunch.

NORD will staff the pool with Red Cross certified

employees including a pool manager, lifeguards and others tasked with upkeep and maintenance. Swimming lessons and water aerobics will also be provided during certain times of day. For a complete list of aquatics programming scheduled at Federal City pool, and questions about pool operations please visit www.nordc.org.
